Scene 10 - The viewer hears a voice in their head. The voice is narrating a show called "TV Cabs".  
Another glimpse of next scene.

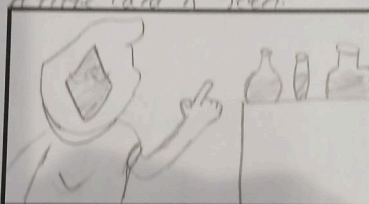

Scene 11 - The narrator gives a description of the wizard and his history.

Scene 12 - We cut to the wizard sitting. The background is blurred. A title card is seen.

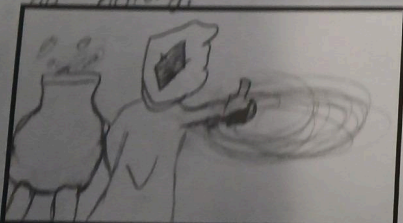

Scene 13 - The wizard introduces himself.

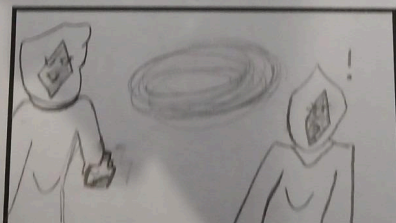

Scene 14 - We cut to the wizard showing off potions.

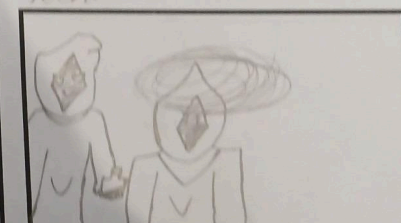

Scene 15 - He walks past a cauldron, and a black hole is seen.

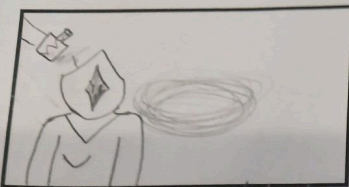

Scene 16 - The wizard pulls out

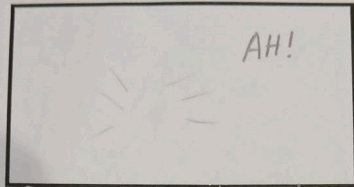

Scene 17 - He casts out a

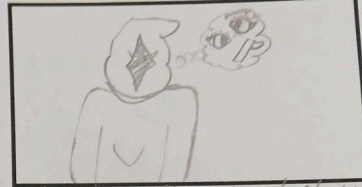

Scene 18 - The minion walks

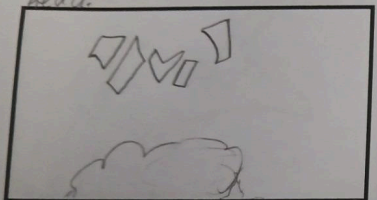

Scene 19 - The wizard breaks the potion over the minion's head.

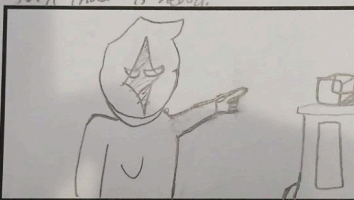

Scene 20 - The minion disappears. A scream is heard as it dies. So. A thud is heard.

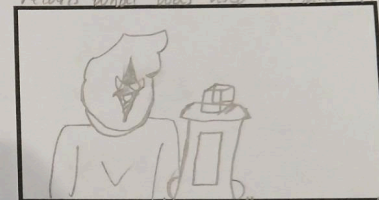

Scene 21 - The wizard claims it was a teleportation potion and recalls what was used to make it.

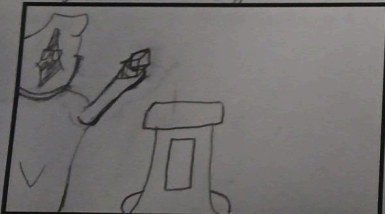

Scene 22 - The viewer looks down to where the thud was heard. There are glass shards floating and blood on the floor.

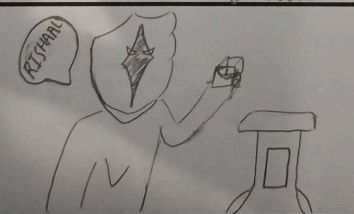

Scene 23 - The wizard brings the attention back to himself as he points to a sticky cube.

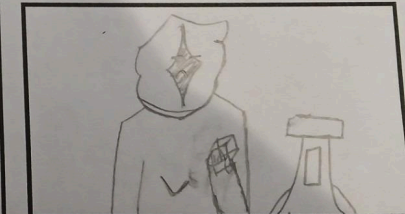

Scene 24 - He walks to a pedestal with the cube.

Scene 25 - He grabs the cube, which gets stuck to his hand.

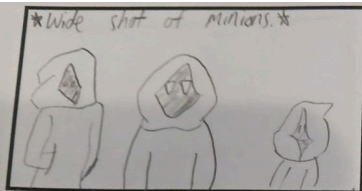

Scene 26 - The wizard yells a command to get the cube off. It is the wrong command, and the cube is permanently stuck.

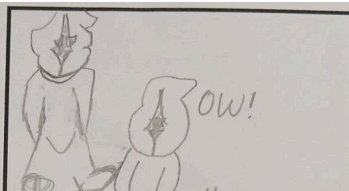

Scene 27 - The wizard looks at the cube, acknowledging that it's stuck.

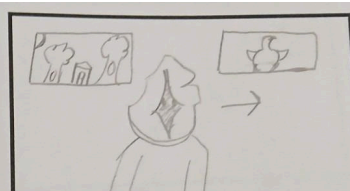

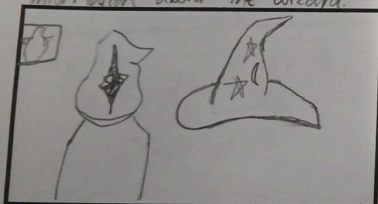

Scene 28- There is a quick wide shot as the narrator gives more information about the wizard.

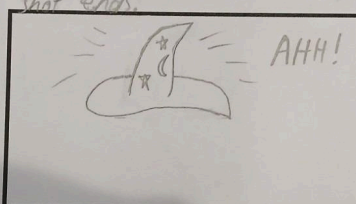

Scene 29- We suddenly see the wizard kick a minion as the shot ends.

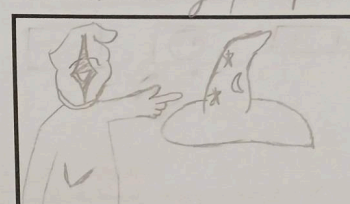

Scene 30- We cut to the wizard walking past paintings.

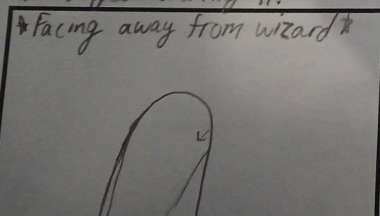

Scene 31- He approaches his old hat, which he made sentient once he stopped wearing it.

Scene 32- We cut to a shot of the hat screaming and shaking in pain.

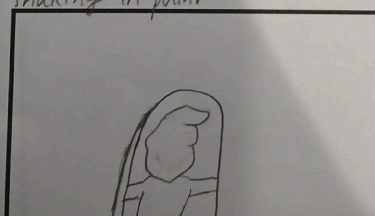

Scene 33- The wizard laughs at the hat.

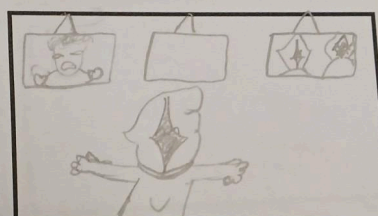

\*Facing away from wizard\*

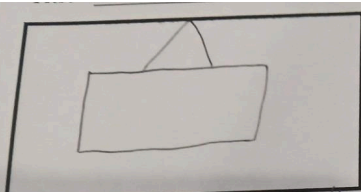

Scene 34- The view approaches the door the viewer entered.

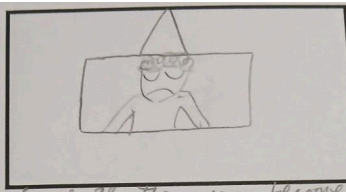

Scene 35- The wizard blocks the door and forces the viewer back inside.

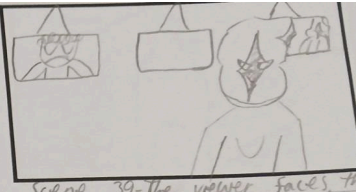

Scene 36- The wizard brings the view away from the door and shows three pictures. One shows his minions crying, one shows a distorted, distressed man and one shows a picture of a picture.

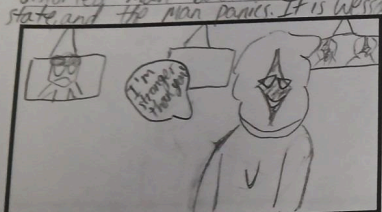

Scene 37- The wizard brings the distorted man back to a conscious state and the man panics. It is his son.

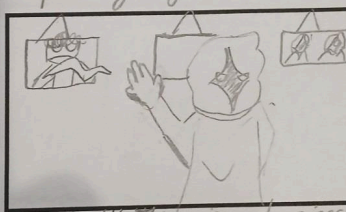

Scene 38- The man becomes a painting again.

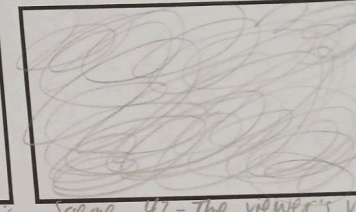

Scene 39- The viewer faces the wizard, who is a few feet away.

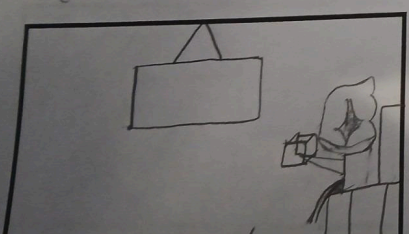

Scene 40- The wizard threatens the viewer.

Scene 41- The wizard raises his hand. There is a flash of light.

Scene 42- The viewer's vision fades. The wizard can be heard laughing.

Scene 43- The credits show the cube still stuck to his hand. There is a painting frame in the view.
